

Rosette with Stop-Fluted Moulding

Primed MDF rosette with stop-fluted casing and header (shown painted). Side trim is one piece (3-in-1) including rosette, fluted casing and plinth block (not shown). This rosette is 3-1/2" with 3-1/8" fluted casing. Smallest size rosette is 2-1/2" with 2-1/8" casing. Solid wood 3-in-1 door trim options are shown on *pages 8 & 9*.

AVOID THIS!

Conventional Rosettes require nails and putty.

USE our 3-in-1

No nails, pins or putty required in Rosettes.
